

## Yacht

A dedicated program protects vessels from 27 to 64 feet in length and up to \$1M in value.

American Modern's yacht product differs from the boat product not just in the length of the craft, but also in the options that can be added to customize the yacht's coverage. This gives you as the agent much more flexibility to build a package of coverage well suited to the vessel. Here are a few coverage highlights.

**Protection and indemnity** – \$300,000 to \$1M in coverage is included in case a person is harmed or property is damaged from the use or maintenance of a yacht. In addition, there is coverage for uninsured/underinsured drivers, wreck removal, watersports liability (if needed), and accidental fuel spill coverage up to the statutory limit.

**Hull physical damage** – A total loss is settled on an agreed value basis, meaning that there will be no depreciation deduction. Deductible options range from 1 to 5 percent.

**Navigation** – Use of the vessel is not restricted to specified areas. We cover all waters of the U.S. and Canada, plus Mexico's Pacific coast (north of Rio Santo Tomas, Baja), the international shared lakes between Mexico and Texas. Extended navigation provisions allow travel to the Bahamas, Caribbean, and locations in Mexico as far south as Puerto Vallarta.

**Dinghy coverage** – \$3,000 is included to cover an unscheduled dinghy. If its value is greater, place it in the boat product and be sure to apply the multi-policy discount.

**Consequential damage** – If the yacht is in a collision, sinks or burns, there could be additional losses as a result. This policy provision covers those ensuing losses.

**Bow to stern** – In addition to covering consequential damages, coverage can be added for mechanical parts failure as well, if there is an ensuing loss.

**Extended parts replacement** – The policy automatically includes replacement cost for parts up to 10 years old. This can be extended up to 15 or to 20 years.

**Lay-up discount** – This discount applies when yacht is not in use, and stored out of the water, during specified periods of time. A dozen other discounts are available as well.
