

AMSuite® Underwriting Checklist Recreational

ALL Underwriting requirements are needed prior to underwriting review

Collector Vehicle:

- ✓ Recent color photos of all 4 sides of vehicle. Include engine and interior photos if high valued vehicle (\$100,000 and above) or modified.
- ✓ All household operators need to be listed, even if they do not operate the vehicle.
- Each operator has their own daily use vehicle. (Please refer to
- ✓ qualifications under the quote as this is state specific to 20/25 years of age or newer)
- Matching limits (or lower on CV
- ✓ page (check prefill report (AMSuite) or obtain daily auto declarations page (MLP3 or AMSuite if different than prefill).
- ✓ Photos of garaging may be required if garage can not be verified or if multiple units.
- ✓ Check all notes, and memos, and UW referrals (UW risk analyses), to see if anything else may be required i.e., proof of car club for discount.

Motorsports/Motorcycle:

- ✓ Check all UW referrals (UW risk analyses), notes, and memos, to see if anything else may be required. i.e., proof of safety course for discount.
- ✓ Check program manual for classic and custom unit eligibility requirements.

Boat/Yacht:

- ✓ Is NAMS/SAMS survey required? If so, it must be attached prior to review. (This is a 2-business day turn around for review)
- ✓ Check all UW referrals (UW risk analyses), notes, and memos, to see if anything else may be required. i.e., boat ownership resume.

All recreational programs require driver information, including drivers license number for each listed person-
